

Plot Summary

“Navigating to a Greener Future” is the main theme of Hong Kong Maritime Week 2024. In this episode, Ava (played by Carman Kwan Ka Man) and Will (played by Matthew Ho Kwong Pui) will meet with an industry leader, Mr Angad Banga, to gain insights into the Hong Kong Government's efforts in promoting green shipping. They will also explore how Hong Kong's tax regime provides a competitive advantage for its maritime industry.
